

On January 17, 2013, the United States filed with this Court a Notice of Partial Intervention and Settlement. (Dkt. # 69). The Notice attached a Settlement Agreement between the CPSST Defendants and the United States, Texas, and the Relator, which expressly stated that the participating parties had settled all of the pending claims against the CPSST Defendants, except for Relator's claims for statutory attorneys' fees, costs, and expenses pursuant to 31

U.S.C. § 3730(d). (*Id.*, Exhibit 1, ¶ II.K). The CPSST Defendants have satisfied their obligations under the settlement agreement.

On May 22, 2013, this Court resolved the only remaining claim against the CPSST Defendants when it granted Relator's Motion for Award and Costs Pursuant to 31 U.S.C. § 3730(d). (Dkt. # 101). Specifically, the Court ordered the CPSST Defendants and their co-defendant, Radiology Associates, L.L.P., to pay Relator a specific sum for attorneys' fees and costs. (*Id.* at 14-15). Relator has been paid the full amount of attorneys' fees and costs awarded by the Court's May 22, 2013 order.

Because (1) the CPSST Defendants have complied with their obligations under the Parties' settlement agreement and (2) Relator has received her statutory share of that settlement agreement, along with her attorneys' fees, costs, and expenses, the Parties are required to execute and file this Joint Stipulation of Dismissal With Prejudice regarding all claims against the CPSST Defendants. (*See* Dkt. # 69, Exhibit 1, ¶ III.20).

Conclusion

For the foregoing reasons, the undersigned Parties, through their attorneys, jointly stipulate that the Court should enter an order in the form of the attached proposed order dismissing all claims in this suit against the CPSST Defendants with prejudice.
